The image shows the PHP logo, which consists of the lowercase letters 'php' in a bold, black, sans-serif font. The letters are centered within a blue oval background. The 'p' on the left and the 'p' on the right have a slight slant, while the 'h' in the middle is more upright. The entire logo is set against a white background.

php

The image shows the PHP logo, which consists of the lowercase letters 'php' in a bold, black, sans-serif font. The letters are centered within a blue oval background. The 'p' characters have a slight slant, and the 'h' is positioned between them. The entire logo is set against a white background.
